MRS. COOK TELLS TRUTH

In a Signed Statement Mrs. Cook Tells the Truth About How Cardui Brought Back Her Strength.

Dexter, Ky .- "I could not get any relief," says Mrs. Ida Cook of this place, "until I tried Cardul, the wo-

man's tonic. I was so weak and nervous, I could hardly do my housework, I suffered

more or less for 10 years, with womanly trouble and sick headaches. Since taking Cardul, for two months,

I am in better health than I have been in some time, am regular as clock-work, do not suffer at all, and am gaining strength every day."

You can't go wrong, in taking Cardui. It is a safe remedy for women's ills. It acts gently and without bad after-effects.

In deciding on Cardui, you will feel more at ease, in knowing that it is a purely vegetable remedy, that has no powerful drug effects, but acts more naturally, in a tonic way, by gradually

building up the womanly strength. Thousands of women have been helped back to health, by Cardul, the
